HOME DRINKING FOUNTAIN

For Backyards, Barbecues, Etc.
A handy bubbling drinking fountain for all who work or play outdoors. So tracking through the house for water, no glasses to wash. The tiniest tot can operate "squeeze bar" control of on-off action. The no-squirt feature prevents water battles among youngsters. Soft plastic cup and mouth guard prevents bruises and cuts in case child falls or bumps against it. The Thirsty Tot connects to any threaded outdoor faucet. Cap on opposite end of connector permits one of garden hose without detaching fountain. Sturdy base and non-corrosive tubing withstand roughest use. It's perfect for outdoor living—for youngsters, gardeners and guests for barbecues. It's Guaranteed.
